

# RESTROOM CARE

## *Restroom Care* That Makes the Right Impression

A facility is judged by the care, cleanliness, and appearance of its restrooms. A fresh, sanitary restroom reflects the overall standards of your organization and leaves users, customers, and employees with a positive and lasting impression. Maintaining consistent housekeeping procedures including routine cleaning schedules, using the proper products, surface disinfection, and ongoing odor management ensures restrooms remain clean, fresh, and welcoming at all times.

### Our comprehensive restroom care program includes:

- Advanced toilet and urinal care products
- Specialty treatments for stubborn buildup and problem areas
- Hard-surface cleaning and sanitizing solutions
- Targeted odor control solutions that eliminate odors at the source not just mask them.

**Clean, Sanitize, Eliminate Odors, Create Confidence.**

Let us help you implement a restroom maintenance program that delivers noticeable, lasting results.
