

H0157

MAG WHEEL CLEANER **ALUMINUM / CHROME** **CLEANER & BRIGHTNER**

DESCRIPTION:

Cleans: mag wheels, aluminum surfaces and wire wheels, chrome wheels and covers, chrome hub caps and grills, side pipes and running boards. Removes road film, brake dust, grime, road salt and other pollutants that attack aluminum and chrome surfaces. Cleans, brightens, and restores without scrubbing, buffing, or polishing. Easy to use: spray on, rinse off.

DIRECTIONS:

Follow carefully. Wear rubber gloves, impermeable clothing and eye protection. Use with adequate ventilation. May be used full strength or diluted, depending on difficulty of job to be done. Do not allow to dry on painted, aluminum or chrome surfaces. Do not spray on plastic center cap or use on polished aluminum or glass surfaces or special coated wheels. Spray generously on area to be cleaned, allow to work for one minute. Rinse thoroughly with hard spray and dry with soft, clean towel. Repeated application may be necessary on very dirty or badly oxidized surfaces. Scrubbing with a small stiff brush will speed cleaning action.

PRECAUTIONARY STATEMENTS:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wash hands, forearms and face, clothing thoroughly after handling. Do not eat, drink or smoke when using this product. Wear gloves and protective eye-wear. If swallowed: Call a POISON CENTER, a doctor if you feel unwell. If exposed or concerned: Get medical advice/attention. Rinse mouth. Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.

PHYSICAL PROPERTIES

APPEARANCE: Blue liquid

Specific Gravity: 1.164

Odor: Pungent

pH: >1

Solubility in water:: Complete

PACKAGING

Stocked in gallons and pails.

Other sizes available.
