

H0181

POWER-BRITE

ACID TYPE ALUMINUM CLEANER - AUTOMOTIVE, TRUCK BODIES

Restores brightness and luster

DESCRIPTION:

Formulated specifically for aluminum trailer bodies and trucks. A shine is restored to the metal. Carbon smoke and road film is removed from trailer body. An excellent wheel brightener. Etches glass, so user must apply it while wearing rubber gloves and a face shield.

DIRECTIONS:

For rust removal, dilute 1 part *Power Brite* with 2 parts water. For aluminum cleaning, dilute 1 part cleaner with 7 parts water. Please read material safety data sheet and directions before using product.

Disposal Directions: Do not re-use empty containers. Wrap empty container in plastic bag and discard.

PRECAUTIONARY STATEMENTS:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wash hands, forearms and face, clothing thoroughly after handling. Do not eat, drink or smoke when using this product. Wear gloves and protective eyewear. If swallowed: Call a POISON CENTER, a doctor if you feel unwell. If exposed or concerned: Get medical advice/attention. Rinse mouth. Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.
