PINE BREEZE

96.8% PURE DIPENTENE

Dye-Free Degreaser-Declogger-Deodorizer

DESCRIPTION:

Dipentene is a bio-degradable solvent and occurs in nature as the main component of pine oil. Dipentene's interesting chemical properties, pleasant pine aroma, and DA_GRAS rating ("generally recognized as safe") make the product a great choice for the carpet and upholstery cleaning and janitorial industry.

Pine Breeze is a great replacement for toxic chlorinated solvents, butyl, and other solvents. It works great as a parts cleaner, engine degreaser, electronics cleaner, tar and asphalt remover, asbestos shingle remover, graffiti remover, grease trap maintainer, hand cleaner, floor cleaner, carpet stain cleaner, metal cleaner, and much more.

Danger— this product is combustible at temperature above 115 degrees F.

PRECAUTIONARY STATEMENTS:

Keep away from sparks and open flame. No smoking. Keep container tightly closed. Take precautionary measures against static discharge. Avoid release to the environment. Wear gloves and protective eyewear. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. In case of fire: Use carbon dioxide, foam, or dry chemical to extinguish. Collect spillage. Store in a well-ventilated place. Keep cool. Dispose of contents/container in accordance with local/regional/national/international regulations.

PHYSICAL PROPERTIES

APPEARANCE: Thin amber liquid

Specific Gravity: .98

Odor: Strong Pine

pH: 7.5

Solubility in water: insoluble

PACKAGING

Stocked in quarts and gallons.

Other sizes available.
