BOOST STAIN REMOVER

DESCRIPTION:

BOOST should be used for the removal of coffee and tanning stains. BOOST is a concentrated, easily dissolved powdered reducing agent that is effective in the removal of coffee, tea, and other tannin type stains. *Always pretest on an inconspicuous area for fiber and backing compatibility and dye stability.*

DIRECTIONS:

Thoroughly mix 2 ounces of BOOST with 1 quart (32 ounces) of hot water. Spray ready to use solution of dissolve onto stain. Apply enough to completely moisten stain. The stain will gradually fade as fiber dries. Severe stains may require a second application. The carpet should be extracted or vacuumed when completely dry.

For best results: Mix thoroughly with hot water. Keep tightly sealed and dry when not in use. Discard unused mixed solution after 3 days.

Thoroughly Mix 2 ounces of **BOOST** with 1 quart (32 ounces)
