OXI-OUT OXYGEN BOOSTER

DESCRIPTION:

OXI OUT is an oxygen bleach booster for cleaning carpet and upholstery. OXI OUT brightens fibers and boosts the cleaning power of your extraction detergent. OXI OUT also breaks down organic matter leaving the area deodorized. OXI OUT works as an oxygen booster and color brightener. It is excellent at removing browning and oxidizing odor. *Always pretest on an inconspicuous area for fiber compatibility and dye stability.*

DIRECTIONS:

For carpet: Add 1 ounce of OXI OUT for every gallon of ready to use extraction detergent or traffic lane cleaner. **For portables:** Add 2 ounces of OXI OUT per gallon of ready to use detergent. **For Upholstery:** Add ½ to 1 ounce of OXI OUT with warm water and spray on brown spot. Allow 5 to 10 minutes dwell time then rinse. For best results mix with warm water to ensure that OXI OUT dissolves.

PRECAUTIONARY STATEMENTS:

Wash hands, forearms and face. Thoroughly after handling. Do not eat, drink or smoke when using this product. If swallowed: Call a POISON CENTER if you feel unwell. Rinse mouth. Dispose of contents/container in accordance with local/regional/national/international regulations.
