

P117

BOWL BRITE

BOWL CLEANER

DESCRIPTION:

Eliminates rust stains fast. This chemical contains a chemical inhibitor corrosive action on metal commonly used in plumbing. *Do not use on sinks, bathtubs, or other porcelain enameled surfaces.* Use of this toilet bowl cleaner on other than vitreous ware is done at owners risk.

Active Ingredients24.7%
(as Hydrogen Chloride)
Inert Ingredients.....75.30%
TOTAL.....100.00%

DIRECTIONS:

TOILET BOWLS AND URINALS: Thoroughly saturate bowl, mop with cleaner. Rub bowl until discoloration and lime deposits disappear. If badly discolored repeat above. And allow to stand for 5 minutes before flushing.

INVISIBLE TRAPS OR OUTLETS IN BOWLS: Pour cleaner into bowl, leave for several hours overnight. The incrustation that has accumulated in the trap will be removed. To assure clean traps and bowls, repeat at least once a week.

PRECAUTIONARY STATEMENTS:

Do not breathe mist, spray, fume. Wash hands, forearms and face thoroughly after handling. Wear gloves and protective eyewear. If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a physician. Specific treatment (see a doctor on this label). Wash contaminated clothing before reuse. Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.

PHYSICAL PROPERTIES

APPEARANCE: White milky liquid

Specific Gravity: 1.13

Odor: Sharp

pH: <1

Solubility in water:: Complete

PACKAGING

quarts and gallons

Other size packaging available with minimum
