INTEGRITY

ANTI-BACTERIAL HAND SOAP WITH PCMX

DESCRIPTION:

Integrity Anti-Bacterial Hand Soap is blended with the finest natural oils, glycerin and PCMX. Integrity is non-drying and non-irritating. The pure glycerin base soothes scratches, prevents hardening, cracking and chapping even with daily repeated use. PCMX is added for effective anti-bacterial action. *Integrity* works equally well in hard or soft water to remove stubborn grime, grease, and dirt.

DIRECTIONS:

Integrity Anti-Bacterial Hand Soap can be effectively used as is or diluted 2 parts hand soap to 1 part water. Wall or counter dispensers can be filled with this concentrate as formulated or water may be added to create the desired diluted viscosity. To use, wet hands thoroughly and apply desired amount. Work up a good lather by rubbing hands, wrists and forearms as required. Utilize a brush for fingernails and hard to clean areas. Rinse thoroughly!

For Industrial & Commercial Use Only

PHYSICAL PROPERTIES
