BIO-1000

ODOR & STAIN ELIMINATOR

DESCRIPTION:

This advanced biological enzymes formula is specially designed to break down organic waste, grease, and food by-products while effectively eliminating odors and keeping drains clear. Non-toxic, non-acidic, and non-alkaline, it provides a safe yet powerful solution for a wide range of applications. Ideal for use in sewage systems, septic tanks, drain lines, sump pumps, carpets, upholstery, laundry, kitchen and bathroom floors, and other hard surfaces, it works at the source to remove stains and neutralize odors.

DIRECTIONS FOR USE:

Surface Spray:

This product utilizes active microorganisms to quickly eliminate odors caused by mold, mildew, urine, and organic matter. Apply full strength using a trigger sprayer directly to carpets, upholstery, laundry, and other affected surfaces where stains and odors are present.

Kitchen & Bathroom Floors & Drains:

Apply directly to problem floor areas and keep the surface wet for 5–10 minutes to maximize effectiveness. Pour 4–5 ounces directly into sink or floor drains. Allow the product to sit overnight for optimal results before flushing. Repeat weekly or as needed to maintain clean & odor-free drains.

Laundry:

Apply directly to stained or heavily soiled areas and allow to soak prior to washing. Stains and odors will be eliminated during the wash cycle.

Carpet Extraction Machines:

Mix 1:1 with water and clean carpets according to machine manufacturer instructions.

Sump Pumps:

Add 8–16 oz directly into the sump pit. Allow natural circulation to distribute the enzymes. Use monthly or as needed to control odors and break down organic buildup. Repeat weekly or as needed to keep clean & odor-free.

Grease Traps / Heavy Build-Up:

Apply 8–16 oz directly into the drain or system. Let sit overnight. Repeat regularly based on usage level. Repeat weekly or as needed to keep clean & odor-free.

For Industrial and Commercial Use Only

PHYSICAL PROPERTIES

APPEARANCE: Milky white

Specific Gravity: 1.0

Odor: Fresh n Clean

pH: 7.0

Solubility in water:: Complete

PACKAGING

Stocked in quarts and gallons.

Other sizes available.
