

P173

K.A.R.

STAIN REMOVER ODORLESS AMMONIA

DESCRIPTION:

For use on: Carpet and textiles. Always pre-test in an inconspicuous place. Also for use on windows, glassware, refrigerators, sinks, stoves, broilers, garbage cans, mirrors, milk bottles, venetian blinds, linoleum, ceramic floors, bath tile, chrome, toilet bowls, drains, hair brushes, combs, jewelry, walls, screens, painted woodwork, baby and work clothes, cottons, rayon, blankets, washers, freezers, and many other uses.

DIRECTIONS:

Use for any and all tasks for which you would normally use smelly ammonia.

For normal cleaning operations: Use at a rate of ½ cup (4 oz.) per each gallon of water. Spray area to be cleaned. Cover with a towel and blot out the color. If stain persists wet again and apply heat using an iron to draw out the color.

Floor finish stripper booster: For stripping finish from floors, add approximately 1 cup of K.A.R. per five gallons of stripping solution. Add additional cups if stronger solution is needed.

PHYSICAL PROPERTIES

APPEARANCE: Clear to light yellow liquid

Specific Gravity: 1.0

Odor: Light ammonia like

pH: <10.0

Solubility in water:: Soluable

PACKAGING

Stocked in quarts and gallons.

Other sizes available.
