

P178

OLEFIN PRE-SPRAY
FOR COMMERCIAL AND RESIDENTIAL OLEFIN
CARPET pH=12

DESCRIPTION:

OLEFIN PRE-SPRAY is a specially formulated product for today's olefin carpets. OLEFIN PRE-SPRAY's powerful formula is excellent for breaking down tough soils and oil barriers. OLEFIN PRE-SPRAY is also excellent on heavy traffic lanes and it rinses out with minimal residue to prevent wicking.

DIRECTIONS:

Dilute 13 oz. of OLEFIN PRE-SPRAY with 1 gallon of water (1:10). Apply with a pump up sprayer or Hydroforce type sprayer. Allow 10 minutes dwell time but do not let dry onto carpet. Extract and rinse well. For best results agitate after dwell time with a rotary machine.

Always pre-test for compatibility in an inconspicuous area

PRECAUTIONARY STATEMENTS:

Do not breathe mist. Wash hands, forearms and face thoroughly after handling. Wear gloves and protective eyewear. If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Wash contaminated clothing before re-use. Store in a well-ventilated place. Keep cool. Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.

PHYSICAL PROPERTIES

APPEARANCE: Blue clear liquid

Specific Gravity: 1.04

Odor: Characteristic

pH: >=13.0

Solubility in water:: Soluble

PACKAGING

Stocked in gallons.

Other sizes available.
