

P230

BLUE WAVE **COMMERCIAL LAUNDRY DETERGENT**

DESCRIPTION:

Blue Wave will not damage even sensitive fabrics. Regular use of this detergent is good for your laundry & equipment. It rinses well & will not build up on fibers. Used as directed, colors stay bright & whites will not gray. It contains no harsh acids or alkalis and is perfect for household or commercial use. It can be used in the suds/wash cycle, as a cold water wash for fine delicates, or as a pre-spotter. It can be used along with chlorine or oxygen bleach. It also works well in all water temperatures.

DIRECTIONS:

Use 1/4 cup in top loading machines. Use 1/8 cup in front loading machines. As a pre-spotter, pour a small amount onto stain, and agitate with a brush or by rubbing the fabric together. Launder as usual.
