SEAL MAGIC

DURABLE, LONG-LASTING, EXCELLENT SLIP RESISTANCE, USER FRIENDLY FLOOR SEALER

DURABLE WATER BASED FLOOR SEALER FOR ALL TYPES OF FLOORS!

DESCRIPTION:

Use *SEAL MAGIC* as a stand-alone sealer or as a base under other finishes. *SEAL MAGIC* is a water based resinous metal cross linked product made from non-yellowing acrylic polymers and synthetic bases. The durable protective coating is extremely resistant to dirt and black-marking.

DIRECTIONS:

Clean floor of dirt and old wax with Super Strip. Allow to dry thoroughly. Apply *SEAL MAGIC* in a thin even coat using a clean mop head. High traffic areas may require at least four coats. Two coats will suffice for a base under high gloss finish coats. Allow floor to dry to a satin finish. (Approximately 30 minutes.) Buffing is unnecessary. After a good base is applied proceed with the floor finish of your choice. You will get gloss on your first coat.

SEAL MAGIC delivers excellent coverage. Up to 2200 square feet on the first coat and up to 2800 square feet on additional coats.
