RHAPSODY

High Gloss - High Solids - Durable Long-Lasting - Requires Very Low Maintenance - Scratch and Scuff Resistant & Buff-able - Excellent in High Traffic Areas - User Friendly

Next Generation Supreme Floor Finish For All Types Of Floors!

For a floor that lasts and lasts with very low maintenance -
Rhapsody.
Makes Floors shine and shine and shine!

DESCRIPTION:

Rhapsody is the next generation in water based resinous metal cross-linked products made from non-yellowing acrylic polymers and synthetic bases. The hard protective coating is supremely resistant to dirt, scratching and black-marking. With periodic buffing, scuffmarks and scratches disappear and the original Supreme luster is renewed. Use RESTORIT in place of Neutral Cleaner for best results. Rhapsody has excellent water resistance. Coverage to 2750 sq. ft. per coat after first application.

DIRECTIONS:

Clean floor of dirt and old finish. Allow to dry thoroughly. Apply finish in a thin even coat using a clean mop head. High traffic areas may require additional applications. Allow floor to dry to a brilliant long lasting finish. (Approximately 30 minutes.) Buffing is unnecessary to attain a shine.

Maintenance: To maintain a lasting finish, dust mop floor regularly and wet mop using a solution of Restorit! and water.

PHYSICAL PROPERTIES

APPEARANCE: Milky White

Specific Gravity: 1 .01

Odor: Light chemical

pH: 8.0—8.5

Solubility in water:: Complete

PACKAGING

Stocked in gallons and pails.
